a story in every stitch

SKYLINE S5

You're the kind of Sewist who never rests on her laurels. As you craft objects of beauty for your home and those you love, you're always looking for ways to push your talents and set loftier goals. Janome celebrates your ambition—and facilitates it—with the Skyline S5. Advanced, loaded with features, yet moderately priced, The Skyline S5 offers more machine for sewists who are ready to do more. The S5 is designed with advantages typically offered on more expensive machines, including an automatic thread snip button, an adjustable knee lifter, an auto thread cutter, and computerization that makes letter stitching a snap. It's also the first machine at this price point with 9 mm stitches and a backlit LCD screen that makes choosing your stitch size even easier. So keep dreaming bigger. The Janome Skyline S5 is ready to keep pace with your imagination.

Easy Convenience Features

More features to make your sewing easier! Enjoy a one-hand needle threader, automatic thread cutter, easy reverse button, locking stitch button, memorized needle up/down, speed control slider, and start/stop button for long seams.

Ample Work Area

The largest workspace in its class! 8.3 x 13" of spacious bed space with 4.7" of vertical clearance—that's 27% more space to the right of the needle and 36% more roll up room for quilts.

Six Ultra Bright LEDs

Ultra-bright LED lights in three locations illuminate the bed of the machine, providing a dazzling work area.

One Step Needle Plate Converter

When using lightweight fabrics or piecing quilts, a straight stitch needle plate makes all the difference. Our One Step Needle Converter allows you to switch from the zigzag to straight stitch plate at the touch of a button – no screwdrivers required!

More of the Essentials

170 built-in stitches including 10 buttonholes give you the perfect range of stitches for any task. And a generous supply of 11 presser feet are included – plenty of accessories to prepare you for any sewing task.

9 mm Zigzag and 91 Needle Positions

The wide 9 mm stitch width makes all of your decorative stitches bolder, brighter, and more distinct. And the incredible 91 needle positions allow for more detail and incredible fine adjustments in all stitch creation.
