### ESSENTIAL ACCESSORIES

The little extras which make life easier. Like this Elna-designed accessory box which comes with the machine.

### LITTLE TOOL-BAG: BIG DEAL

The whole point of a survival kit is to be at hand when you need it. So we've built a small tool-box into the front flap of the Elna 664 PRO. Handy.

### NEAT AND TIDY

A neat waste bin to collect surplus fabrics and thread ends. For a work surface that's always tidy.

**WARRANTY AND SERVICE:** Elna's superior reputation was established in 1940 with the production of its first sewing machine. Ever since, Elna has continued to be the leading brand of home sewing and related equipment designed especially with the innovative sewer in mind. Thousands of professionals worldwide provide expert service. Millions of people have chosen Elna for its quality, performance and reliability.
